

Introducing

We're excited to announce our new school management system – **RenWeb School Management Software**. We're in the process of setting up RenWeb's **ParentsWeb** – a private and secure parents' portal that will allow parents to see academic information specific to their children, while protecting their children's information from others.

All you need is an Internet-capable computer to view information such as:

- Attendance
- Progress Reports
- Report Cards
- Transcripts
- Lesson Plans
- Homework
- School Calendar
- School Announcements
- Staff and School Directory
- Teacher Email Addresses
- Teacher Websites
- Customized Web Surveys and Tests
- Other Useful School Information

RenWeb has created a 5 minute [ParentsWeb Overview video](#), which will give you an introduction to the system. Please watch it at your convenience by [clicking here](#). The password to access the video is **ParentsWeb**.
