Return completed forms to Hilary Scott, Director of Admission

- All current Chesapeake Academy families are eligible to participate in the New Family Referral Program.
- There is no limit to the number of families you can refer. (Aim for attending Chesapeake Academy for free next year!)
- If more than one Chesapeake Academy family submits a New Family Referral Form for the same new family, only the first family to submit the form (by date and time) will be eligible to receive the tuition credit.
- The \$1000 tuition credit is per family enrolled.
- We will need your assistance during the admission process, so your help doesn't stop after you make the referral.
- If your child is graduating from Chesapeake Academy in June 2018, your tuition credit will be used instead, to create a scholarship in your name.
- If you are a member of the Chesapeake Academy faculty or staff for the 2017-18 school year, you will receive a \$1000 tuition credit or an award for class enrichment.
- If your referred family applies but is not accepted by Chesapeake Academy, we will let you know as early in the process as possible, but only after we have notified the applicant. We cannot guarantee that your referral will be accepted to Chesapeake Academy.

Chesapeake Academy admits students of any race, color, religion, national or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, religion, national or ethnic origin in the administration of its educational policies, admission policies, scholarship program, athletic and other school-administered programs.
