## REPORT

Small School. Huge Classroom.

# Letter from the Head of School

## Dear Friends,

The 2022-2023 school year was full of joyous moments for the Chesapeake Academy community, as we celebrated achievements and looked ahead to new beginnings. The June 2023 “graduation” of Julianne Duvall as the 11th Head of School and the appointment of Trip Cogburn as the 12th leader of Chesapeake Academy was a smooth transition due to the work of the Search Committee, the Board of Trustees, the faculty and staff, and the broader community.

Our Search Committee, under the leadership of Ron Mihills and Bill Chapman, provided such guidance for the search process and transition, making sure that at each turn, our community received updates, accurate information, and invitations to participate in the process.

Thank YOU for being such an integral part of Chesapeake Academy as we continued to work together to ensure our students had the best opportunities and experiences.

**You make a difference in the school's ability to stay nimble, responsive, innovative, and constant. Because of you, Chesapeake Academy doesn't miss a beat! We continue to meet the moment, a dynamic place with a creative and optimistic spirit, proud to be a vital and vibrant institution in our community.**

The value of a small, independent school in our community is evident, and we showed throughout the search process how we can celebrate all that our school is in the area. We know our students well, provide a nurturing and challenging educational experience, and partner with families to work for our common goals. As families move to the Northern Neck and Middle Peninsula, they repeatedly tell us that if CA did not exist, they could not have considered relocating to the area and putting down roots here.

It is with a sense of overwhelming appreciation that we share the 2022-2023 Gratitude Report, which highlights the many supporters who help advance the mission, philosophy, and vision of Chesapeake Academy. The Board of Trustees, faculty and staff, parents, students, alumni, alumni parents, grandparents, and community friends contributed over

\$456,000 to support the Bell Tower Annual Giving Fund and special projects.

Annual giving through the Bell Tower Annual Giving Fund remained and remains the life blood of support for Chesapeake Academy. Unrestricted funds donated to the school reach every single student by funding current technology, science equipment, field trips, athletic uniforms, and classroom materials. In addition, gifts to the **Bell Tower Annual Giving Fund** keep tuition affordable for all our families and provide additional financial assistance to half of all enrolled students.

Participation in giving at Chesapeake Academy is affirmation that our community understands the importance of investing in our educational program. Engagement is consistently high with **100% of the Board of Trustees** and **100% of the faculty and staff** ensuring their names are on the donor rolls, while parent participation reached 79% for the year.

The **Oyster Roast** and **Annual Auction** are the school's two major fundraising events, and we were so thankful to be able to have both in person this year after reinventing them in the prior two years. We highlight the work of Catherine Emry, Development Associate, without whom these events wouldn't occur. She has made both events successfully come to fruition with the help of some wonderful key volunteers, among them Beth Somers, Kelly Antonio, Alice Riviere, and Michelle Ritter. These alumni moms, former faculty members, and community leaders step up time and time again to make sure that CA has what it needs.

Chesapeake Academy's standing as a **leading educational institution** could not remain secured without the support of people who believe in the mission of the school and the role CA plays in the community. We were honored for the 11th year in a row by *Virginia Living Magazine* as the **#1 independent school in Eastern Virginia**, with the Oyster Roast ranked as the #1 charity event, Summer Camp ranked as the #1 camp in the region, and CA PreK voted the #1 preschool program.

Your investment in our children's future is evident in the joyful, engaging experience students have at Chesapeake Academy. Even in these times when it is easy to feel discouraged by the adult world, the laughter of children and the consistency of school life give us hope. You help us launch young people who will have the ethical values and critical thinking skills to tackle whatever comes their way.

Please accept our immense gratitude for your role in the life of Chesapeake Academy. This school holds a special place in our hearts and yours. We are deeply humbled to have the leadership of such a special institution entrusted to us.

Sincerely,

*Trip*

# Our Mission & Philosophy

## Mission Statement

To inspire each student to approach learning with curiosity and creativity, pursue excellence in all endeavors, and act with integrity—so each can make our community and world a better place.

## Philosophy

Located in historic Irvington, Virginia, where the Rappahannock River meets the Chesapeake Bay, Chesapeake Academy is a school dedicated to preparing each student for future academic, ethical, social, and physical endeavors in an intellectually challenging environment.

Bound by common goals and aspirations, Chesapeake Academy students experience an academically challenging, traditional liberal arts curriculum taught by teachers who model creativity, commitment, flexibility, teamwork and a love of learning. Intellectual curiosity is valued, laying the foundation for a lifetime of learning, growth and achievement. Our caring and supportive environment guides children to develop confidence in their abilities. In all aspects of school life, teachers know their students well. This relationship allows teachers to address differences in learning styles and teach in ways children will experience their greatest achievement.

In keeping with our heritage, Chesapeake Academy students are an interconnected community of learners. Our school, guided by a purposeful social and ethical curriculum, is a place where friendships and consideration for others thrive and responsibility and leadership develop. We embrace each other's beliefs and differences and discover that our diversity enriches us. The school's community, formed by a unique partnership of parents, students, teachers, alumni and neighbors, works together to help children achieve academic excellence and personal growth. We believe students learn best when teachers, parents and children work in harmony.

From Pre-Kindergarten 3 & 4 through eighth grade, Chesapeake Academy students develop and articulate ideas. The inclusion of visual and performing arts in the curriculum encourages self-discovery and creative expression. The physical education and athletic programs promote life-long personal fitness and character development. School-wide experiences and community service opportunities encourage students to be comfortable expressing their ideas in front of others as well as assuming future leadership roles.

Chesapeake Academy believes that an enriched and challenging academic curriculum, within a nurturing, child-centered environment, provides the foundation for future successes.

## Bell Tower Annual Fund

Annual Fund gifts support the operations of the school and are the backbone of our fundraising efforts. Your support of the Bell Tower Annual Giving Fund helps offset the costs of instruction that distinguish Chesapeake Academy from other schools.

These tax-deductible, unrestricted gifts are applied to the operating budget and support facilities maintenance, student programs, financial assistance, and a countless number of other needs not covered by tuition income.

## Endowment

Endowment funds are invested and provide annual support for the future of Chesapeake Academy. Gifts to the endowment are invested and grow in value and provide a source of income without ever using the principle of the gift. The endowment decreases the dependence on tuition income and acts as a buffer to unforeseen, but necessary, non-budgeted needs.

## Planned Gifts (Faye Society)

Planned giving can be as sophisticated as establishing a charitable gift annuity which would provide you with an income for life or as simple as naming Chesapeake Academy as a beneficiary in your will. To learn more about the many ways you can arrange a planned gift to Chesapeake Academy, please call Trip Cogburn at 804-438-5575.

## Tribute and Memorial Gifts

Honor a family member, favorite teacher, celebrate a special occasion, or memorialize a loved family member or friend by giving a gift to Chesapeake Academy. At times of great joy and sorrow, the Academy can benefit by your generous contributions.

## Matching Gifts

Many companies offer matching gifts programs to encourage employees' support of nonprofit and charitable organizations. Employers will match their employees' contributions. Information and specific requirements are available through your company's human resources department.

## Special Fundraising Events

In addition to annual fund giving, the Academy relies on the income from two major fundraising events to help raise the 20% of the annual operating budget not covered by tuition. The Fall Oyster Roast and the May Auction depend on numerous volunteers to make them successful.

## To recognize invaluable contributions

to the long-term growth of the Academy through bequests, trusts and other planned gifts, the Faye Society was established by the Board of Trustees in the Spring of 2001. The society is named in memory of Captain and Mrs. James Faye who generously named Chesapeake Academy as a beneficiary of their estate in 1987. Their foresight and generosity made a tremendous impact on the Academy's fiscal stability and future, and on generations of families. Planned gifts to the Academy under a donor's will or trust can be a specific sum, a portion, or the entirety of the estate. Since 1965, bequests and other planned gifts have brought to Chesapeake Academy almost three quarters of a million dollars from alumni, parents, grandparents and community friends and have helped to sustain and enhance the high quality of the Academy's educational programs and facilities.
